(f) The City has not issued any of the bonds authorized at the Election.

(g) It is necessary, desirable, advisable and in the best interest of the City to authorize the issuance, sale and delivery of the bonds authorized at the Election pursuant to the Act in an aggregate stated principal amount not to exceed \$1,300,000 for the purposes of paying a portion of the costs of the Project and the costs of issuing such bonds.

(h) All conditions, acts, and things required by law to exist or to be done precedent to the issuance of such bonds do exist and have been done in due form and time as required by law.

Section 2. To provide funds for the Project as set out in Section 1 hereof, there shall be and there are hereby ordered issued the Bonds, in one or more series, in the aggregate stated principal amount of not to exceed \$1,300,000. The Bonds or any portion thereof are hereby authorized to be sold pursuant to a negotiated sale with D.A. Davidson & Co., as initial purchaser (the "Underwriter"). In connection with such sale, the Mayor, City Clerk or City Treasurer (each, an "Authorized Officer") are hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a "Designation"), (i) the aggregate purchase price of the Bonds and the underwriting discount which shall not exceed 1.5% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) the title (including series designation), aggregate principal amount (including the aggregate principal amounts of serial Bonds and term Bonds, if any), which aggregate stated principal amount shall not exceed \$1,300,000, and the final maturity date, which shall not be later than December 15, 2046, (iv) the principal amounts maturing in each year, (v) the rate or rates of interest to be borne by each principal maturity, provided that the true interest cost of the Bonds shall not exceed 5.75%, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Paying Agent and Registrar and the form and content of any agreement between the City and such entity and (x) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be the date of delivery thereof. Interest on the Bonds, at the respective rates for each maturity, shall be payable as determined in the Designation, (each of said dates an "Interest Payment Date") and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the close of business on the fifteenth day immediately preceding the Interest Payment Date (or such other date as may be determined in the Designation, the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be designated by the City's Treasurer as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or date of redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal and

accrued interest thereon due at maturity or at any date fixed for redemption prior to maturity shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. The Paying Agent and Registrar designated pursuant to the Designation shall serve in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar, in a form approved by an Authorized Officer. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its principal corporate trust office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the principal corporate trust office of said Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar on behalf of the City will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one such bond may be transferred for several such bonds of the same interest rate and maturity, and for a like aggregate principal amount, and several such bonds may be transferred for one or several such bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond or Bonds shall be canceled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the City evidencing the same obligations as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. If the date for payment of the principal or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. In addition to any mandatory sinking fund redemptions as may be provided for as set out in Section 2 of this Ordinance, the Bonds shall be subject to redemption at the option of the City, in whole or in part, prior to maturity at any time on or after such date as may be provided in the Designation,

at par plus accrued interest on the principal amount redeemed to the date fixed for redemption. The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. The Bonds shall be in substantially the following form:

Section 8. Each of the Bonds shall be executed on behalf of the City with the facsimile signatures of the Mayor and the City Clerk and shall have imprinted thereon the City's seal. The Bonds shall be issued initially as "book-entry-only" bonds under the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a Letter of Representations (the "Letter of Representations") in the form required by the Depository (which may be in the form of a blanket letter, including any such letter previously executed and delivered), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. With respect to the issuance of the Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names as the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the ultimate beneficial owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee; or

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository is terminated or resigns and is not replaced, the City shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of such certificates and to direct their execution by manual or facsimile signatures of its then duly qualified and acting Mayor and City Clerk and by imprinting thereon or affixing thereto the City's seal. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such bond (including such certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter upon receipt of the total stated principal amount of the Bonds, plus accrued interest thereon to date of payment for the Bonds, less Underwriter's discount in an amount determined in the Designation. Such purchaser and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including without limitation, authorizing the release of the Bonds by the Depository at closing. Said initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The City Clerk shall make and certify a transcript of the proceedings of the Mayor and Council with respect to the Bonds, a copy of which shall be delivered to the initial purchaser of the Bonds. The Authorized Officers are hereby each individually authorized to execute the Bond Purchase Agreement, in the form such Authorized Officers may deem necessary and appropriate, and are further authorized to do any and all things necessary and appropriate in connection with the issuance of the Bonds.

Section 9. The net sale proceeds of the Bonds, along with any necessary funds of the City on hand, shall be applied to pay the costs of the Project and the costs of issuance of the Bonds. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds.

Section 10. The City agrees that it shall cause to be levied and collected annually a special levy of taxes on all the taxable property in this City, in addition to all other taxes, sufficient in rate and amount to fully pay the principal of and interest on the Bonds when and as such principal and interest become due, to the extent not paid from other sources.

Section 11. The City hereby covenants and agrees that it will make no use of the proceeds of the Bonds which would cause the Bonds to be arbitrage bonds within the meaning of Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the "Code") and further covenants to comply with said Sections 103(b)(2) and 148 and all applicable regulations thereunder throughout the term of said issue, including all requirements with respect to payment and reporting of rebates, if applicable. The City hereby covenants to take all action necessary to preserve the tax-exempt status of the interest on the Bonds for federal income tax purposes under the Code with respect to taxpayers generally. The City further agrees that it will not take any actions which would cause the Bonds to constitute "private activity bonds" within the meaning of Section 141 of the Code. The City hereby designates the Bonds as its "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenants and warrants that it does not reasonably expect to issue bonds or other obligations aggregating in principal amount more than \$10,000,000 during the calendar year or years in which the Bonds are issued (taking into consideration the exception for current refunding issues). The Mayor is hereby authorized to make, or cause to be made, any and all certifications deemed necessary in connection with the designation of the Bonds as "qualified tax-exempt obligations", including "deemed designating" the Bonds.

Section 12. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of the principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to be made in accordance with the terms thereof or (b) shall have been provided for by depositing with the Paying Agent and Registrar, or with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as "U.S. Government Obligations") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payment; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with a bank or trust company or the Paying Agent and Registrar may be invested or reinvested in U.S. Government Obligations at the direction of the City, and all interest and income from U.S. Government Obligations in the hands of such bank or trust company or Paying Agent and Registrar in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 13. The Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Official Statement and a final Official Statement with respect to the Bonds for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 14. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking in accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission in such form as determined necessary and appropriate by such Authorized Officer (the "Continuing Disclosure Undertaking") and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in

the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section, and under the Continuing Disclosure Undertaking. An Authorized Officer may appoint a Dissemination Agent for the Bonds in the Authorized Officer's discretion.

Section 15. This Ordinance shall be in full force and effect from and after its passage and publication in pamphlet or electronic form as provided by law.
