Since 1952 the Skylon has served the community of Hartington. Not only serving as an event space but an economic driver for both the community and local businesses.

Work continues on the exciting restoration of the original building and construction of the addition. As the project nears completion, we are asking for your support to help us finish strong. We have set a fundraising goal of $300,000 to cover remaining improvements.

Over the years, the Skylon has been a cherished place where memories were made across Northeast Nebraska. Now, we have a chance to ensure those memories continue through the Skylon Preservation Fund.

To honor our supporters, a Donor Recognition Wall will be installed once fundraising is complete. Donors will be recognized at various levels, and we invite you to share the name(s) of your favorite band(s) to be displayed alongside your name—a tribute to the rich musical legacy of the Skylon.
